

BOSTON UNIVERSTIY SCHOOL OF NURSING

NURSING SCIENCE COLLOQUIUM COMMITTE

FUTURE COLLOQUIA

- Spring 1986      Theories of Nursing: Is there a Paradigm for  
Nursing Science?
- Spring 1987      Use of Theory-Based Research to Further Develop  
and Refine Theories of Nursing
- Spring 1988      Future Directions: Maximizing Theory  
Development and Research Potentials for the  
Advancement of Nursing Science

Plans for Future Nursing Science Colloquia are in the  
developing stages.

BOSTON UNIVERSITY SCHOOL OF NURSING

PROCEEDINGS

First Annual Nursing Science Colloquium

"Strategies for Theory Development: I"

Editors

Christine Bridges, R.N., M.S., Assistant Professor  
Department of Graduate Education  
Master of Science in Nursing Program  
Salem State College  
and  
Doctoral Candidate, Boston University School of Nursing

Bianca M. Chambers, R.N., M.S., Assistant Professor  
and Acting Chairperson  
Department of Advanced Studies in Community Health,  
Parent-Child, Primary Care and Psychiatric Community  
Mental Health Nursing  
Boston University School of Nursing  
and  
Doctoral Student, Boston University School of Nursing

March 23, 1984  
Boston University  
Boston, Massachusetts

BOSTON UNIVERSITY SCHOOL OF NURSING  
First Annual Nursing Science Colloquium  
Friday, March 23, 1984

- 8:00 REGISTRATION  
CONTINENTAL BREAKFAST
- 9:00 WELCOME  
Margery Chisholm, R.N., Ed.D.  
Associate Dean  
INTRODUCTIONS  
Christine Bridges, R. N., M.S., Doctoral Student  
Chair, Nursing Science Colloquium Committee
- 9:30 KEYNOTE ADDRESS  
Theory Development: Importance and Relevance to  
Nursing Science  
Rozella Schlotfeldt R.N., Ph.D., F.A.A.N.  
Professor and Dean Emerita  
Frances Payne Bolton School of Nursing  
Case Western Reserve University
- 10:30 COFFEE BREAK
- 11:00 STRATEGY FOR THEORY DEVELOPMENT: DEDUCTIVE APPROACH  
Lorraine Walker, R.N., Ed.D., F.A.A.N.  
The Luci B. Johnson Centennial Professor in Nursing  
University of Texas at Austin  
School of Nursing
- 12:00 CASH BAR
- 12:45 LUNCHEON
- 1:30 NURSING ARCHIVE TOUR (Optional)  
Margaret Goosetray  
Mugar Library Special Collections
- 2:15 STRATEGY FOR THEORY DEVELOPMENT: GROUNDED THEORY  
Jan R. Atwood R.N., Ph.D., F.A.A.N.  
Professor, College of Nursing  
University of Arizona  
Assistant Director of Nursing for Research  
University Hospital
- 3:15 PANEL-PARTICIPANT DISCUSSION
- 5:00 WINE/CHEESE RECEPTION  
The Castle, 225 Bay State Road

**Boston University School of Nursing**

Second Annual  
Nursing Science Colloquium

**Strategies for  
Theory Development  
in Nursing II**

Sponsored by  
Doctoral Students and Faculty

March 21–22, 1985

George Sherman Union  
775 Commonwealth Avenue  
Boston, Massachusetts

BOSTON UNIVERSITY SCHOOL OF NURSING

Second Annual  
Nursing Science Colloquium

Strategies for Theory Development in Nursing: II

Thursday, 21 March 1985

- 8:00 Registration and Continental Breakfast
- 9:00 Welcome  
Dr. Margery Chisholm, Associate Dean, Academic Affairs  
Boston University School of Nursing
- Introductions  
Bianca Chambers, D.N.Sc. Student  
Nursing Science Colloquium Committee  
Boston University School of Nursing
- 9:30 Keynote Address  
Nursing Science: Perspectives on Theory  
Development--Past, Present, and Future  
Dr. Ada Sue Hinshaw, Professor and Director of Research  
University of Arizona College of Nursing
- 10:30 Coffee Break
- 11:00 Strategy for Theory Development:  
Stages of Theory Development  
Dr. Margaret Hardy, Associate Professor  
Boston University School of Nursing
- 12:00 Critical Commentary  
Dr. Glenys Hamilton, D.N.Sc. Alumna  
Boston University School of Nursing
- 12:30 Luncheon
- 1:30 Poster Session: Evolving Knowledge and Inquiry
- 2:30 Strategy for Theory Development: Phenomenology  
Dr. Carolyn Oiler, Associate Professor and Director,  
B.S.N. Program  
Kean College of New Jersey
- 3:30 Critical Commentary  
Anna Omery, D.N.Sc. Candidate  
Boston University School of Nursing

5:00 Speakers' Reception

Friday, 22 March 1985

8:00 Continental Breakfast

9:00 Strategy for Theory Development: Model Building  
Dr. Marilyn L. Stember, Associate Dean for Research and  
Evaluation  
University of Colorado School of Nursing

10:00 Critical Commentary  
Therese Shipps, D.N.Sc. Candidate  
Boston University School of Nursing

10:30 Coffee Break

11:00 Strategy for Theory Development: Theory Reformulation  
Dr. Shake Ketefian, Associate Dean, Graduate Affairs  
University of Michigan School of Nursing

12:00 Critical Commentary  
Marcia Lynch, D.N.Sc. Candidate  
Boston University School of Nursing

12:30 Luncheon (on your own)

2:00 Strategy for Theory Development: Ethnomethodology  
Dr. Madeline Leininger, Professor and Director,  
Center for Health Research  
Wayne State University College of Nursing

3:00 Critical Commentary  
Katherine A. Meyer, D.N.Sc. Student  
Boston University School of Nursing

3:30 Summary-Strategies for Theory Development:  
Received View Versus Non-received View  
Christine Bridges, D.N.Sc. Candidate  
Boston University School of Nursing

5:00 Reception in Honor of Doctoral Alumnae  
Boston University School of Nursing  
The Castle, 225 Bay State Road

**Boston University School of Nursing**

**Third Annual  
Nursing Science Colloquium**

**Strategies for  
Theory Development  
in Nursing III**

**Sponsored by  
Doctoral Students and Faculty**

**April 3-4, 1986**

**George Sherman Union  
775 Commonwealth Avenue  
Boston, Massachusetts**

## Program

Thursday, April 3, 1986

- 8:00** Registration with Continental Breakfast  
**9:00** Welcome  
Gail Harkness, Dr. P.H.  
Associate Professor and Acting Chair,  
Doctoral Program  
Introductions  
Kathleen Simon, M.S.  
Chair, Nursing Science Colloquium  
Committee
- 9:15** *Stages of Theory Development*  
Margaret Hardy, Ph.D., F.A.A.N.  
Professor, University of Rhode Island
- 10:00** *Conceptualization: Concept Formation*  
Donna Schwartz-Barcott, Ph.D.  
Associate Professor,  
University of Rhode Island
- 10:45** Break with Refreshments
- 11:00** Discussion
- 12:00** Lunch
- 1:30** *Conceptualization:  
Concept Development,  
the Progression to Quantification*  
Jan Atwood, Ph.D., F.A.A.N.  
Associate Professor and Assistant Director  
of Research, University of Arizona
- 2:15** Discussion
- 3:15** Break with Refreshments
- 3:30** *Systematic Knowledge Development:  
Selection and Refinement of Concepts  
and the Emergence of Relationships*  
Jeanne Quint Benoliel, D.N.Sc., F.A.A.N.  
Professor, University of Washington
- 4:15** Discussion
- 5:15** Poster Session  
Reception (cash bar)

Friday, April 4, 1986

- 8:00** Poster Session with Continental Breakfast
- 9:00** *Systematic Knowledge Development:  
Concept Differentiation  
and Taxonomy Development*  
H. Suzie Kim, Ph.D.  
Professor and Dean,  
University of Rhode Island
- 9:45** Discussion
- 10:45** Break with Refreshments
- 11:00** *Systematic Theorizing:  
Refining the Theoretical Formulation  
Through Empirical Testing*  
Jean Johnson, Ph.D., F.A.A.N.  
Professor & Associate Director of Nursing,  
University of Rochester
- 11:45** Discussion
- 12:45** Lunch
- 2:15** *Formal Theory: Theory-Based Predictions  
as the Base for Intervention*  
Introduction of the Question  
Response from the Speakers  
Discussion
- 3:30** Closing Remarks
- 4:00** Reception (cash bar)  
The Castle, 225 Bay State Road

**Boston University School of Nursing**

**Fourth Annual  
Nursing Science Colloquium**

**Strategies for  
Theory Development  
in Nursing IV**

Sponsored by  
Doctoral Students and Faculty

**Spring 1987**

George Sherman Union  
775 Commonwealth Avenue  
Boston, Massachusetts

**Boston University School of Nursing**

**Fifth  
Nursing Science Colloquium**

**Strategies for  
Theory Development  
in Nursing V**

The Challenge for the Future

Sponsored by  
Doctoral Students and Faculty

March 10–12, 1988

George Sherman Union  
775 Commonwealth Avenue  
Boston, Massachusetts

## Program

Thursday, March 10, 1988

- 8:30 Registration with Continental Breakfast
- 9:00 Introductory Remarks  
Christine Bridges, D.N.Sc., R.N.  
Chair, Nursing Science Colloquium  
Committee
- Greetings  
Patricia Maguire Meservey, Ph.D., R.N.  
Dean *ad interim*
- Welcome  
Carole Shea, Ph.D., R.N.  
Chair, Graduate Programs
- 9:30 *The Nature of Knowledge*  
Sara Fry, Ph.D., R.N.  
Associate Professor  
University of Maryland
- 10:30 Break with Refreshments
- 11:00 *Nursing: The Unique Body of Knowledge*  
Marjorie Isenberg, D.N.Sc., R.N.  
Associate Professor and Chair,  
Doctoral Program  
Wayne State University
- 12:00 *Knowledge Is Knowledge*  
Shirley Smoyak, Ph.D., R.N., F.A.A.N.  
Professor II, Rectors College of Nursing  
Rutgers University — The State University  
of New Jersey
- 1:00 Luncheon
- 2:30 Presentation of Papers: Doctoral Students'  
Perspectives on the Issues  
Moderator  
Nancy Wells, M.N., R.N.  
Doctoral Candidate
- 3:30 Panel Discussion: Speakers and Participants
- 4:30 Reception (cash bar)

Friday, March 11, 1988

- 8:30 Continental Breakfast
- 9:00 *Challenges to the Development  
of Knowledge*  
Sandra Harding, Ph.D.  
Professor of Philosophy and  
Director of Women's Studies  
University of Delaware

- 10:00 Break with Refreshments
- 10:30 *Challenge: The Influence of Gender  
on Science*  
David Allen, Ph.D., R.N.  
Assistant Professor  
School of Nursing and Women's Studies  
University of Wisconsin — Madison
- 11:30 *Challenge: The Development  
of a Community of Scholars*  
Rozella Schlotfeldt, Ph.D., R.N., F.A.A.N.  
Professor and Dean Emerita  
Case Western Reserve University
- 12:30 Luncheon
- 2:00 Presentation of Papers: Doctoral Students'  
Perspectives on the Issues  
Moderator  
Bianca Chambers, M.S., R.N.  
Doctoral Candidate
- 3:00 Panel Discussion: Speakers  
and Participants
- 4:00 Reception (cash bar)

Saturday, March 12, 1988

- 9:00 Breakfast
- 10:00 *The Future: Federal Support for the  
Development of Nursing Science*  
Jo Eleanor Elliott, M.A., R.N., F.A.A.N.  
Director  
Division of Nursing  
and  
Jan Heinrich, Dr.P.H., R.N.  
Deputy Director  
Center for Nursing Research
- 11:30 Discussion
- 12:00 *The Challenge: Future Directions*  
Christine Bridges, D.N.Sc., R.N.  
Chair, Nursing Science Colloquium
- 12:30 Adjournment
