

Here is a quick guide to get you started!

I can do it!

I have conducted a research study using a nursing theory?

NO

Action: I will consider using a nursing theory when studying a phenomenon of interest.

YES!

Action: I have published my findings in a peer reviewed journal

YES!

Action: I may consider sharing my work through nursology.net

YES!

Action: I am sharing my work by completing the Nursology.net contact form <https://airtable.com/shrA6vioVygqZ7fny>.

I will do it!

Inclusion Criteria

- √ Did I briefly describe how I situated my research question within a certain nursing theoretical perspective/concept(s)? What method did I use to communicate my implications: deductive or inductive arguments?
- √ Did I communicate my implications clearly following the chosen theoretical perspective(s)/concept(s)?
- √ Did I share my preliminary and/or ongoing theoretical work for this current work?
- √ Did I follow copy write rules by including citations and or permissions of my work as needed?

I did it!

I HAVE SHARED MY RESEARCH FINDINGS THROUGH NURSOLOGY.NET!

I AM A CHAMPION FOR ADVANCING NURSING KNOWLEDGE!
